

2020-21 BOYS' TRYOUTS

2020-21 Season - Return To Play - Making Your Safety Our Priority

GET READY FOR THE 2020-21 SEASON

WHY TRYOUTS?

Even though we anticipate that the early sessions will be in-house leagues, we need to accomplish two goals with our tryouts. First, to create a competitive training environment with players of similar ability and objectives. Second, is to be in a position to quickly move to teams/tournament play when Illinois determines it is safe to do so.
