##### TOURNAMENT DATES

TBD Events

In addition to the in-house scrimmages, we are preparing for 4 Single Day tournaments in January and February. ALL tournament entry fees will be **INVOICED SEPARATELY** once the event has been confirmed.

##### UNIFORM PACKAGE

New Player = Included

##### UNIFORM PACKAGE

New Player = \$77

The Uniform Package was included in the dues/fees as an introductory program in 2020-21. Starting this season, because there are returning players that do not need new uniforms, we have separated the package from the dues for new players.

##### SEASON DUES

\$550  
3 installments

##### SEASON DUES

\$435  
7 installments

Based on the fact that we will enter/invoice events as we receive clearance to do so, we have lowered the total fees for the season. We anticipate that if we are able to attend **ALL** planned events that the dues will be slightly higher than last season. Additionally, we have added more installments to protect our families from a shutdown during the season.
